

Community Garden Volunteer ID:152928

Summary

Our new Inclusive Community Garden in Pearce is being launched in September 2020 and we are looking at volunteers to spend an hour or two every week taking care of the garden, doing basic gardening jobs and assisting others to enjoy and experience the garden. Many of the users of the garden will be people with disabilities or elderly residents from the surrounding area so an inclusive space for everyone to enjoy safely is our goal.

Description

Tasks as rostered will include: Watering, planting and maintenance of the garden beds Producing the Garden newsletter Organic pest control Managing vegetable garden production to assist with regular market days at the garden Identifying issues and liaising with the Garden Coordinator

Requirements

- Others

A passion for plants and watching them grow, enjoying the outdoors Being a part of a volunteer team Understanding support for all who access the garden Working with Vulnerable People Check
